

ROLANDO VILLANUEVA

Full Stack Web Developer

About Me

I am a dedicated Full-Stack Developer with 2 years of experience in building efficient and user-friendly web applications using Vue.js and Laravel. I specialize in creating seamless front-end interfaces, robust back-end systems, and integrating APIs like Google Spreadsheet API.

Passionate about coding and problem-solving, I keep on practicing and continuously improving my skills. Outside of work, I love watching anime and youtube videos for creative inspiration.
